The Folder contains the following files:

- **[GhanaSep2013\_data.dta]**
- Experimental instructions
- CSAE working Paper: *When no bad deed goes punished*

**[GhanaSep2013\_data.dta]** contains data on the behavior of participants in the experiment. **The document “experimental instructions” carefully lays out the experimental design.**

Information about the sample, for example basic characteristics can be found in the CSAE working paper: *When no bad deed goes punished*

If you are interested in obtaining data on the treatment indicators or other data from this experiment, then please contact Elwyn Davies at CSAE, [elwyn.davies@economics.ox.ac.uk](mailto:elwyn.davies@economics.ox.ac.uk).
