

The CSAE Conference app is now available to download on the Google PlayStore or the App Store. Find out how to download the app and view the CSAE Conference 2020: Economic Development in Africa event below.

## GOOGLE PLAYSTORE FOR ANDROID DEVICES

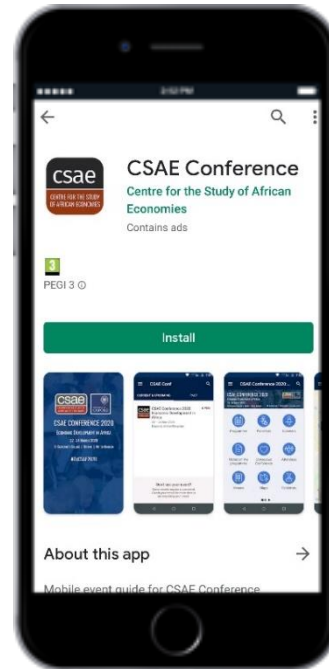

1.

Open the PlayStore on your device and search for “CSAE Conference” in the search bar. You will see the CSAE Conference icon and app appear at the top.

Click on ‘CSAE Conference’

2.

Now you will be able to install the app on your device. Click ‘install’.

When the installation is complete, click the ‘open’ button.

3.

This will take you to the CSAE Conference app.

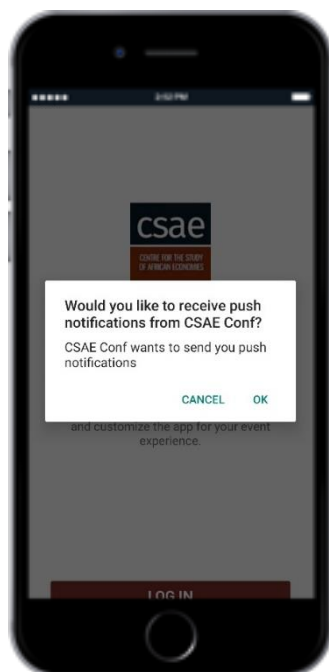

In the app, you will be able to select the CSAE Conference 2020: Economic Development in African event by clicking ‘open’.

4.

You are now entering the CSAE Conference event and will see the event loading screen.

5.

When you first enter you will be asked if you would like to receive 'push notifications', these are messages sent to you by the CSAE team about the event (such as session reminders and important updates).

We would recommend that you allow push notifications.

6.

Now you are ready to login.

Click 'login' and enter your first and last name. Make sure that you use the email address that you registered for the Conference with.

You will then be asked a series of questions related to your account security settings.

7.

Thanks for downloading the CSAE Conference app! Please use the verification code below to confirm your device and finish setting up your account.

**Verification Code:** [Verification Code]

This code is good for one use, and expires on [Date] at [Time] [Time Zone]. Once it's expired, or if you're logging in on a new device, you'll need a new code.

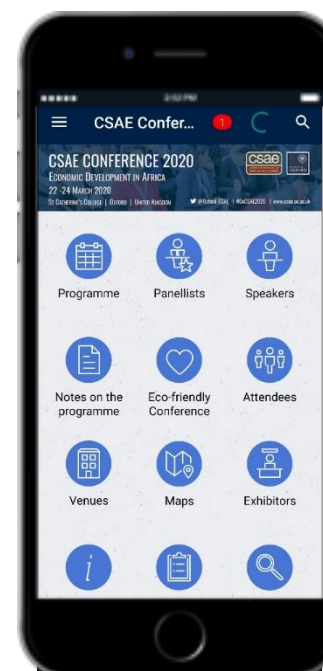

*Note: Don't share this code with anyone else, it won't work for them.*
